Dear All,

Re: District Commissioner - Chingford

It is with great pleasure that I announce that Steve Taylor has been appointed as District Commissioner for Chingford. Steve's appointment will commence from 11th July, however he will not officially take over from Joyce until the Chingford AGM on Monday 18th July, until then any District matters will still be dealt with by Joyce. Steve will use this interim period to meet with any members of the District that he needs to in order to have a number of appointments in place for the AGM, namely his Executive Committee.

Steve brings with him a wealth of experience from both his professional and voluntary background. Steve has been a District Commissioner in Finchley, ACC (Leader Training) in GLN, and County Commissioner for GLN for 8 years. Steve was also part of the Management Team for the World Scout Jamboree in 2007. Steve is currently the Appointments Chairman for Chingford. I am looking forward to working with Steve and him sharing the knowledge and expertise that he has gained through his past roles as he brings them to GLNE.

I would like to take this opportunity to formally thank Joyce for the great job that she has done in Chingford over the last 9 years. The District has grown under her leadership, becoming stronger both in terms of membership and governance. Joyce has personally given her all to the District and for this the County are very grateful and indebted to her. I wish her all the best in her future roles in Scouting!

I hope that you will all give Steve your full support as he continues the good work accomplished by Joyce during his tenure as District Commissioner for Chingford.

Yours in Scouting,

Paul Fix
