Nights Away Training has changed. Please ensure you speak to your Training Adviser or Local Training Manager before booking yourself on the new Module 16 (Introduction to Residential Experiences), Module 17 (Activities Outdoors) or Module 38 (Skills for Residential Experiences).

"Pick A Module" Evening provides a flexible way to cover a particular Module that you might need, but can't attend on one of the preset courses. Email training@glne-scouts.org.uk to request to attend one of these nights and what module you would like to cover. Where possible we will then arrange for this module to be delivered to you 1 to 1 with a County Trainer. Please note not all Modules can be delivered 1-2-1.

Free course are only available for certain roles. For more details and information see County Website www.glne-scouts.org.uk/training or email training@glne-scouts.org.uk
