

Scout County of Greater London North East

“Better Scouting for more Young People”

We have seen another successful year for Scouting in North East London with growth of over 3% across the County and our highest total membership for over a decade. However we are not resting on our laurels, and as the next stage of the County Development Plan we are seeking nominations for the following two voluntary roles;

Assistant County Commissioner (Development) & **Assistant County Commissioner (Group Support)**

Both roles will become part of the District Support Team and work closely with our team of District Commissioners to help grow Scouting across the County. The Deputy County Commissioner for District Support will provide line management and support and a detailed induction programme will be arranged, as well as ongoing training and personal support.

The roles will involve the following (plus other tasks to be determined);

ACC (Development)

- Overseeing the analysis of National and Quarterly Census Figures
- Managing the County Development Plan and overseeing progress
- Managing Development across the County and championing growth of provision
- Sitting on the management board of the Regional Development Officers Steering Group

ACC (Group Support)

- Working with one Group per District at a time to help these Groups to grow
- Work with the ACC (Development) and DCs to identify and target specific Groups for help
- Identify areas of growth and work with Groups to open new Sections
- Work with new Scout Groups to offer personal support and advice

To nominate someone (or indeed to self nominate) please complete the nomination form and return by the end of April 2010 to the County Commissioner

For an informal conversation about either role please contact the County Commissioner Dean Jefferys by emailing cc@glns-scouts.org.uk

Those shortlisted will be invited for interview. All successful applicants will be required to complete a full enhanced CRB disclosure and to provide two references. Only those to be shortlisted will be contacted. All nominations will be acknowledged.
